90 four-year olds graduated UPK

**North Fork Early Learning Center**  
Mattituck-Cutchogue School District  
27 four-year olds graduated UPK  
90 toddlers and preschoolers attended
Partnerships have always been vitally important to Family Service League’s success as an organization and this year is no exception. We continued to grow our alliances in order to better serve our clients.

As an example, we are embarking on a wonderful partnership with the Boys and Girls Club of the Bellport Area to provide an array of services including mental health, chemical dependency, senior services (SeniorNet), therapeutic recreation for children and hopefully much more. Working together to blend the best of both organizations is good for the community.

We also continue to strengthen our presence of co-locations within medical practices to provide mental health services to patients as needed. These practices are located in Southampton, Mattituck, Shirley and Riverhead. The outcomes for our clients who receive both primary and behavioral healthcare under one roof is optimal for everyone.

Our wonderful partnership with the North Shore –LIJ Health System at Southside Hospital continues to be an outstanding alliance in demonstrating the importance of an integrated model of health care. During the last three years, we are demonstrating positive health outcomes with various metrics. My thanks to Dr. Jay Enden, Medical Director of Southside, and FSL Board Trustee, Donna Moravick, Executive Director of Southside, and Winnie Mack, Regional Director, Eastern Region for NS-LIJ, for their support and commitment to these initiatives.

Family Service League has also formed an Independent Practice Association with four other human service agencies to help strengthen our strategic position during this time of great system transformation. Along with FEGS, FREE, PSCH, and MHA of Nassau County, we are designing creative and innovative models of care to improve access, quality and efficiencies. We all recognize that collaborations and strategic alliances are our new world and the Long Island Behavioral Alliance (LIBA) is forging ahead in creating an integrated behavioral health network of providers for access to regional, high quality, behavioral healthcare.

This year continues to provide many, many challenges, but an equal number of opportunities as well.

My thanks to all of our wonderful partners who join us in our resolve to Restore Hope and Rebuild Lives.

Karen Boorshtein
President & CEO
Family Service League announces the election of two new members to its Board of Directors in May 2014.

Mary Stokkers, of Huntington, recently retired as Principal of Woodhull Intermediate School in Huntington. A long-time educator, she has been honored by the Huntington Foundation for Excellence. Mary has voluneteered at Holiday House and TriCYA in Huntington. FSL welcomes her expertise in education and mental health.

Carolyn Reinach Wolf, ESQ., of Great Neck, is Executive Partner at Abrams, Fensterman, et al. LLP. An expert in the mental health legal system, she also serves as an Adjunct Professor of Law at the Hofstra School of Law. Carolyn has provided pro bono counsel to Nassau-Suffolk Council of Mental Health Centers and serves as Vice President of the National Behavioral Intervention Teams Association. Her in-depth knowledge of the mental health legal system is an asset to Family Service League.

On June 10, 2014, the following Board members assumed new positions on the Board:

Francine Whitehead, of Huntington, was elected to the position of Chair of the Family Service League Board. A member of the Board for nearly 10 years, she has served in committees focusing on Governance and Nominating, Development, Program and Strategic Planning.

Wayne Grossé, of Bayport, was elected to the position of Chair-Elect of the Board. Chief Operating Officer and lead member of the strategic team at Bethpage Federal Credit Union, he has been a Board member for more than 5 years.

Katharine Posillico McGowan, of Huntington, was elected Vice Chair of Development. Owner of Katharine Jessica Interior Design, LLC, she has led fundraising efforts for the agency for more than 8 years.

James T. Ashe, of Huntington, was elected to Treasurer of the Board of Directors. He is Partner-in-Charge of the Advisory Services division of Marcum LLP and National Leader of their Forensics Practice Group.

Vivian Cahn, of Cold Spring Harbor, was elected Vice Chair of Programs. A member of the Board for more than 16 years, she has advocated tirelessly for programs serving families in need.

Robert C. Creighton, of Smithtown, was elected Recording Secretary. Partner at Farrell Fritz, P.C. in Hauppauge, he has expertise in not-for-profit governance and fundraising.

Ed Flint waselected to the FSL Board of Directors in 2008. An active member of the Board, he served on Development, Finance, Strategic Planning and Governance and Nominating Committees as well as the Golf and Great Chefs of Long Island fund raising committees.

A partner in the Jericho, NY law firm SilvermanAcamora LLP, Mr. Flint had over twenty-five years of experience in corporate and business restructurings, business bankruptcies, complex commercial litigation, including detection and prosecution of fraud and the recovery of assets, and corporate law and mergers and acquisitions. Mr. Flint was active in local civic and charitable organizations, including the Long Island Association. For almost twenty years, Mr. Flint served as a volunteer on the Organizing Committee of the Eastern Farm Workers’ Association and also served on the Board of the National Coalition of Concerned Legal Professionals.

Mr. Flint was the Editor-in-Chief of the Buffalo Law Review. He frequently lectured and authored articles on issues arising under the Bankruptcy Code and New York State Debtor and Creditor Law. Mr. Flint was a past Chairman of the Banking, Commercial and Corporation Law Committee of the Suffolk County Bar Association. He is greatly missed by those of us at Family Service League.
Family Service League Receives $150,000 Donation from JPMorgan Chase

New program prepares youth and adults for careers in Medical Billing

Family Service League (FSL) received a $150,000 grant from JPMorgan Chase & Co. to support the Medical Billing Certificate program. This new vocational training program, located at William Floyd High School, in Mastic Beach will prepare students for careers in the high-growth field of Medical Billing. Participants who complete the program will graduate with the required certification to enable them to find a job in this fast-growing sector.

The need for Medical Billing Specialists is expected to increase in the years ahead. According to the US Department of Labor’s Bureau of Labor Statistics, Medical Assistants, which include Medical Billers, have a projected growth rate of 24% on Long Island, much faster than the average for all occupations.

“Family Service League is thrilled to enhance our portfolio of employment-related programs with this new addition”, says Karen Boorshtein, FSL President and CEO. “Over the years, JPMorgan Chase has provided critical support to Family Service League, helping us to fulfill our mission to help individuals, children, and families to mobilize their strengths and improve the quality of their lives at home, in the workplace and in the community. JPMorgan Chase is a valued partner of our agency.”

FSL’s Medical Billing Certificate program is a collaboration with the William Floyd School District and Suffolk County Community College (SCCC). The program is offered as part of William Floyd High School’s Business Academy. Both day and evening classes will be available and will serve both high school students and adults in the community. For additional information, contact Jodi Lieberman at 631-647-3146 or jlieberman@fsl-li.org.

Community Behavioral Health Collaborative Brings Needed Services to Town of East Hampton

The East Hampton school community has identified and requested assistance in meeting an increasing need for children’s mental health services. This has been exacerbated by rapidly changing demographics that have increased the Spanish speaking population to over 50% of the school children. The Community Behavioral Health Collaborative is a new initiative being implemented in the Town of East Hampton. The intent is to complement the expansion of mental health treatment services for children through the FSL East Hampton clinic with early identification, prevention and educational services for children and families. The initiative consists of the establishment of a community school in the Springs K-8 school district in order to provide family support, assistance and education as well as workshops on various parenting issues throughout the town in English and Spanish.

In addition, we will be working closely with the East Hampton School Districts to provide emotional well-being screenings for young children and to increase awareness of children’s mental health issues throughout the community. We will also provide training to the community that will enhance team membership in our Community Crisis Action Team (C-CAT) so that we may better respond to east end incidents.

Family Service League Partners with Boys & Girls Club of the Bellport Area

Family Service League began providing services at the Boys & Girls Club of the Bellport Area facilities on August 2nd. This new partnership will expand the availability of services to children and families in the Bellport community. RECESS, a therapeutic recreation program for children ages 7-14 with serious emotional problems, is the first Family Service League (FSL) program to be housed at this facility, to be followed shortly by mental health and substance abuse clinics. Future FSL programs to partner at the Boys and Girls Club include CAIR (Community Advocacy, Information and Referral), and SeniorNet, a computer training program for seniors.

According to Tracie Romandetti, Executive Director of the Boys & Girls Club of the Bellport Area, “the addition of Family Service League programs to our site will complement the services currently provided and enhance the programs we are able to offer the children and families in the Bellport community.” In addition to providing much-needed programs for youth, this state-of-the-art facility will offer programs for adults and seniors from the surrounding area.
A Vegetable Garden Grows at SuffolkHope

SuffolkHope is Family Service League’s home to 6 men who were previously homeless. Today, the home has a new vegetable garden which is thriving under the careful care of two residents, Steve and Kenny. Both gentlemen have been residents of SuffolkHope for the past two years and, though they traveled very different roads to get there, they became fast friends and discovered they both have a love of gardening, cooking and trying to eat a healthy diet.

Motivated to install a garden in the back yard, they contacted the Huntington Community Garden Director who happily helped them. Turning the soil, buying plants, watering, fertilizing, staking tomatoes and weeding took considerable time and effort. Now the hard work has paid off and they are enjoying the harvest. This garden means more to these gentlemen than just food to eat — they learned that by planting a small seed, big things can grow.

New FSL Family Center Opens in William Floyd School District

The William Floyd School District is strongly committed to community involvement in order to enhance the academic experience of its students. Towards this end, FSL will open a Family Center in collaboration with the district, which will be housed in a 2,000 square foot space located on the grounds between the high school and the middle school.

Much like FSL’s other family centers, services will highlight the one stop shopping model beginning with services designed to assess the family’s needs. Services to be offered on-site will include relief and welfare, referral, advocacy, counseling and educational workshops focused on strengthening families. The center will be open Monday through Friday and will include two days with evening hours.

Chemical Dependency Treatment Programs Designed for Professionals

A better life lies within your reach

Family Service League Family Centers treat individuals who have been impacted by the disease of addiction. The FSL Dependency Treatment Program for Professionals provides the confidential comprehensive support of therapy with a focus on the unique challenges that are faced in the workplace.

Each individual entering the FSL medically supervised program has a plan specifically developed to fit their needs. The program provides an assessment and evaluation to assist in determining the level of care needed to support recovery and maintain abstinence.

For information call 631-650-0005 or email restorehope@fsl-li.org.

FSL Helps Children Diagnosed on the Autism Spectrum

(Left) A Social Skills Group in Westhampton Beach helps children learn to interact with peers.

(Right) The Kidnastics Program in Center Moriches focuses on motor skill development, building of self-esteem and the importance of social interactions.
The Family Service League Summer Gala was held on Saturday, July 12th. This annual Hampton’s favorite took place under a grand tent in Westhampton Beach and was Co-Chaired by Carolyn Drexel and Scott J. Skorobohaty. Guests mingled with NY Jet’s Alumni Players and the Flight Crew Cheerleaders. This extraordinary evening included delicious hors d’oeuvres, cocktails, dinner and dessert. The festivities of the night included dancing and shopping for unique gifts and services at the designer auction. We were honored to present Gair Betts, Kimberly Stevens, and Sandy Wyman with Community Leadership Awards.

Thanks to the generous sponsors, donors and guests the proceeds will help support the 52 programs FSL provides for individuals and families in need throughout Suffolk County.

Many thanks to our Co-Chairs Carolyn Drexel and Scott Skorobohaty shown here with FSL Board Chair Francine Whitehead (l) and FSL President and CEO Karen Boorshtein (r).

The 64th Annual House Tour

Honors Jackie Higgins & Genie Kissinger, in Memoriam

Over 500 guests toured 5 exquisite homes from Cold Spring Harbor to Huntington Bay on May 21st for our 64th Annual House Tour. Many lunched at Harbor Club at Prime, while shopping at our boutiques and took a chance with our raffle. This year’s event was led by Committee Co-Chairs Kim Hendrickson-Radovich and Susan Eisner. Thanks to our amazing leaders, honorees, committee, sponsors and over 175 volunteers the event raised nearly $100,000 for FSL.

(L to R) Event Co-Chair Kim Hendrickson Radovich, Karen Boorshtein, FSL President and CEO and Event Honoree Jackie Higgins.

(L to R) Committee Members and FSL Volunteers, Maria Lynn and Mary Ellen Hassett.

The Bank of America Charitable Foundation’s Student Leaders Program chose Family Service League as a site for a paid, eight-week intern. This internship provided an opportunity for an exemplary high school student to develop and apply leadership skills through hands-on work experience in our programs while raising her awareness of community issues addressed by FSL.

The Kristy’s Smile Foundation, under the leadership of Brendan Ryan, along with friends Michael and Horton from Tavern on Jane, hosted a wonderfully successful Golf Outing on July 28th. As always, proceeds will benefit the FSL Camp Program, CAIR (Community Advocacy, Information & Referral) and HiHi (Huntington Interfaith Housing Initiative).

Our thanks to the Kissinger Family Foundation and the Kissinger Family for creating the Genie Kissinger Memorial Camp Fund at Family Service League. A past Board President of FSL, Genie and her husband Walter have been long-time supporters of the Camp Program. In memory of Genie, friends, family members and past colleague donated more than $15,000 this year to her Memorial Fund.

The United Way of Long Island awarded a grant of $50,000 to Family Service League (FSL). This grant is a $5,000 increase over last year’s grant, and supports programs that promote school success among children and youth in Suffolk County. These funds support FSL programs such as Operation Success, early learning and pre-school programs, and the Brentwood Community School (BCS), which provide educational support and enrichment to low-income children and youth.

Stop & Shop awarded a grant of $2,000 to Family Service League. This grant supported Family Service League’s Operation Success Summer Extension program, located at our Riverhead Family Center. The Summer Extension program offers academic support and recreation to children in Grades K-4 who are failing or at risk of failing in school. During the school year, these children attend our Operation Success homework help program. The summer extension reinforces their academic skills and keeps their minds active. Operation Success Summer Extension provides structure, supervision and makes learning fun.

Children Enjoy Summer Baseball Games Thanks to Seats of Dreams and the Long Island Ducks

Over 130 children and their families were invited to enjoy a Long Island Ducks baseball game this summer due to the generous efforts of the Seats of Dreams organization. The games have been a wonderful experience, providing families the opportunity to come together for a special day at the ballpark. Seats of Dreams, a national nonprofit launched in 2012, gives donated sports and entertainment tickets to disadvantaged, disabled or sick children. Those who donate receive a tax receipt for the value of the ticket. “It’s always a great thing to be able to find an asset that someone doesn’t want and create value out of it for someone else,” stated Mr. Greenbaum, co-founder of Seats of Dreams.

Our thanks to Seats of Dreams, their efforts work well with the FSL mission of helping LI families mobilize their strengths and improve the quality of their lives at home and in the community.

Have You Visited the Family Service League Website Recently?

The Family Service League website (www.fsl-li.org) has been designed to provide visitors with a wealth of information about our programs and events in an easy to navigate style. Come pay us a visit. We hope you find our website informative and helpful. We are always looking to improve and we welcome your feedback.

Please email us at: restorehope@fsl-li.org to share your comments, thoughts and ideas!

Congratulations to FSL Staff

Janice Gosule Retires After 25 Years with Family Service League

Janice Gosule, LCSW, began her career at FSL in 1986. Working for more than 25 years, Janice was the Program Director for County-Wide Counseling and the PINS (Persons in Need of Supervision) Diversion Program. We all wish Janice best wishes in her retirement.

Valerie Brunner Chamberlain Promoted to Division Director

Early this year, Valerie Chamberlain was promoted to the position of Division Director of Housing and Homeless Services. After earning her Masters Degree in Social Work at Fordham University, Valerie joined FSL as a Case Manager in 2000. During the ensuing years, she assumed more responsibility in the agency. In her new role, Valerie oversees programs serving homeless families, people at risk for homelessness, formerly homeless adults in supported housing and emergency housing programs.

Christian Racine, Ph.D Joins FSL as Senior Director of Clinic Services

Family Service League announces the addition of Dr. Christian Racine to its staff. As Senior Director of Clinic Services, Dr. Racine oversees FSL’s 17 mental health and chemical dependency clinics and satellite clinics throughout Suffolk County. Dr. Racine has nearly ten years of clinical and administrative experience overseeing complex behavior health programs. Formerly with the Pederson-Krag Center, Dr. Racine is truly a great asset to Family Service League’s Behavioral Health Division.

Susan Buonasera To Retire

Later this year, we will say goodbye to our Vice President for Development, Susan Buonasera. Susan will be retiring at the end of December after serving the not-for-profit community for more than 40 years. We were fortunate to have her with Family Service League for the past seven years. Susan’s attention to detail and thorough knowledge of fundraising strategies and leadership skills have served us all well. She has worked side by side with me as well as the entire Board and staff, to elevate FSL’s fundraising capability throughout her tenure. While we still have a few more months with Susan, I wanted to note this in our newsletter as this will be the last one she puts together for us. A job well done. Thank you Susan.

—Karen Boorshtein, President and CEO

Flexible Employment Program Benefits from Assistance of Volunteer Joseph Malone

A retired United States Air Force Electronics Technician and Staff Sergeant, with years teaching experience, Joe Malone has generously devoted his time to Family Services League’s Flexible Employment Program. The program is a self-paced computer and clerical training program that also teaches work readiness skills and provides job placement services.

Joe works remarkably well with our clients who come to us with various disabilities including learning, physical, psychiatric, and substance abuse challenges. Joe’s patience and understanding of each individual’s learning style, needs, and aptitude have been beneficial and welcomed by students and staff alike. His dedication, enthusiasm, and level of commitment have consistently reflected in his teaching methods as well as the additional projects and assignments he has created for his students to reinforce their newly acquired skills.

Words cannot express the appreciation the Flexible Employment Program has for Joe Malone. His time, efforts, and work have been priceless.
Making a **Tribute Gift** is a meaningful way to honor a friend, relative, co-worker, or colleague. By making this gift **In Memory Of** someone who has passed away or **In Honor Of** a special occasion or accomplishment, you are giving recognition of your care and love while at the same time giving a gift to improve the life of someone in need. To give a Tribute Gift simply mail a donation with the appropriate information, visit our website at [www.fsl-li.org](http://www.fsl-li.org), call Noreen Fremed at (631) 470-6771, or email nfremed@fsl-li.org to request tribute envelopes.
