

# HELP SEND A CHILD TO CAMP

“I learned how to swim at summer camp!” 12 yr. old Camper

**Children learn valuable life skills**, gain self esteem, and forge friendships providing lasting memories. They enjoy hiking, swimming, kayaking, rock climbing, arts and crafts, sports of all kinds, and songs around the campfire.

**For over 40 years, Family Service League** has been providing children from financially disadvantaged families across Long Island's Suffolk County with a summer camp placement.

**Last year over 200 children were placed in 18 camps** throughout Suffolk County, Upstate New York and New Jersey. An average two week stay at camp costs \$525 per child. The needs of our neighboring families have increased as more people face economic hardships- last year 60 children were left on the waiting list. Your donation can make the difference.

**Camp is an opportunity** for respite from their lives which often includes exposure to drugs, alcohol, gang activity and street violence.
