MESSAGE FROM OUR PRESIDENT & CHAIR

Dear Friends of Family Service League,

The generosity of you, our donors, is one of Family Service League’s greatest strengths. Your gifts make possible the stories that you will read throughout this report. Without you, the 50,000 people whose lives we touch throughout Suffolk County would not have access to the services that Family Service League is able to provide. Because of you, Family Service League offers:

• shelter to a homeless mother and her children;
• counseling to a teenager who is bullied at school;
• pre-kindergarten classes to a four-year old whose family cannot afford private pre-school programs;
• counseling and primary health care to a man who is beset by mental illness;
• a backpack filled with school supplies to a student whose father is out of work.

We are able to do this, and so much more, because you understand that even though we live in one of the wealthiest regions in our nation, we still have tens of thousands of people in our midst who need the safety net that Family Service League provides.

Please enjoy learning more about Family Service League as you read our 2014 Annual Report — and know that your support strengthens our hands to serve others by Restoring Hope and Rebuilding Lives.

Karen Boorshtein, LCSW

VOLUNTEER CORPS

Our programs would not be possible without the support of our incredible volunteers. All it takes is a sincere desire to help your Long Island neighbors. The work performed by the more than 400 members of our volunteer corps is essential to fulfilling the FSL goal — to restore hope and rebuild lives.

For individuals who wish to donate their time and talents, FSL offers training programs that prepare volunteers for specific programs such as tutoring and senior services. Opportunities are available for individuals to lend a hand with administrative support or special projects. Corporate and group volunteer projects are also available, including donation drives and special events support.

Our Volunteer Coordinator would be pleased to speak with you:
631.427.3700 or restorehope@fsl-li.org
MISSION STATEMENT

Family Service League helps individuals, children, and families to mobilize their strengths and improve the quality of their lives at home, in the workplace, and in the community.

Caring for newborns to centenarians who rely on the social safety net that FSL provides.

Giving senior citizens companionship and purpose.

Providing hope and protection for people with mental illness.

Allaying the fears and desperation of teens and adults consumed by addiction.

Offering nourishment and shelter to families.

Reaching out to struggling families facing insurmountable financial burdens.

Most importantly, our staff, numbering more than 600 professionals and support personnel, provides both physical and emotional aid to Long Island’s most vulnerable citizens. Our five Family Centers feature up to twenty distinct social services consolidated into one help center — enabling families to take advantage of multiple, integrated services in a more efficient and cohesive way.

We invite you to contribute to our important work — as a volunteer, a corporate friend, generous donor — or as one of our dedicated employees. We can proudly say that 87 cents of every dollar is directed toward programs for families in need. FSL has achieved national accreditation and is expanding its scope of influence and support to answer the needs of our communities. Your contribution, of any amount, will directly impact the children, families and individuals living here on Long Island. You will be part of our FSL team — a thriving organization that has earned the recognition and respect of social advocates nationwide, restoring hope and rebuilding lives!

For ways you can help, please contact us: 631-470-6770
HIGHLIGHTS OF HOPE IN 2014

WILLIAM FLOYD FAMILY CENTER
William Floyd Family Center (WFFC) is located on the campus of the William Floyd School District (WFSD). This collaborative provides vital resources such as crisis counseling, vocational training, housing assistance, and educational workshops for Mastic and Shirley community members. The FSL and WFSD partnership was made possible, in part, through generous grants from the Long Island Community Foundation, Bank of America and JP Morgan Chase. The WFFC embraces a holistic approach that addresses the social and educational needs of children and families by providing access to social and mental health services, and promoting healthy lifestyles while strengthening ties in the community.

EAST END MENTAL HEALTH INITIATIVE
FSL has been providing outpatient mental health services to the residents of East End of Long Island for over four decades. Recently the demand for behavioral health services has reached crisis proportion. In 2014, NYS Senator Kenneth P. LaValle, NYS Assemblyman Fred Thiele, Jr., and Suffolk County Legislator Jay Schneiderman, spearheaded the South Fork Initiative (SFI) and secured vital funding for phase one of this project. The first phase of the SFI helps FSL provide local school districts with crisis services for students experiencing suicidal thoughts/behaviors or other imminent risk factors. FSL staff conducts assessments either on-site or via the use of tele-psychiatry. This service reduces unnecessary hospital visits and fosters real-time engagement with students, and their families, in crisis.

FINANCIAL LITERACY AND DEBT COUNSELING PROGRAM
Since its inception in 1975, FSL’s Financial Literacy and Debt Counseling Program (FLDC) has helped thousands of people confront and resolve their financial problems. Long Islanders reach out to the program for assistance in managing their debt, help with preventing home foreclosures and for advice and guidance during periods of financial turmoil. The program provides one-on-one assistance and educational workshops to larger groups. FSL received a $20,000 grant from Capital One Bank to support its Financial Literacy and Debt Counseling program.

THE COMMUNITY CRISIS ACTION TEAM
The Community Crisis Action Team (CCAT) responds to traumatic incidents, assessing the needs of individuals and groups who have experienced a critical event in the workplace, in the community, or in schools. Members of the FSL Team are often deployed within hours of contact. In this past year the CCAT team provided grief support for the families, friends and co-workers of over 30 individuals who succumbed to suicide. Counselors provide critical care and guidance to those struggling with grief, crisis, or disaster.

CAIR
CAIR is our Community Advocacy, Information, and Referral Program. Our most recent facility is the Bellport Family Center, located in the Boys & Girls Club of the Bellport Area which provides vital information, referrals, practical resources and access to various community agencies for community families and adults.

Karen Boorshtein cuts the ribbon for the Bellport CAIR program
BACKPACKS FOR BACK TO SCHOOL
Remember what it felt like to write with a brand new pencil or write on the first crisp page of a blank notebook? Thanks to Bethpage Federal Credit Union, and other supporters, over 2,000 children started school with backpacks filled with fresh, new school supplies. It can cost nearly $70 to provide a child with notebooks, pens, calculators and books to start the school year. This can be an overwhelming expense for a parent.

UNITED WAY PARTNER
FSL is proud to be a United Way partner agency. Their generous support in 2014, which is made possible in part by contributions from thousands of individuals through workplace payroll deduction, included a grant for FSL to offer financial assistance to military personnel and veterans.

COMMUNITY SCHOOL
Newsday Charities/McCormick Foundation supported the Brentwood Community School, which is a vibrant partnership between school staff, parents and community members. Children are supported to complete homework assignments, to enjoy after-school recreational activities and to grow into healthy, productive, responsible community residents and lifelong learners for the betterment of the Brentwood community.

SUMMER CAMP
Nearly 300 children enjoyed two weeks at summer camp, thanks to King Kullen, and support from their customers as well as community members. This adventure provided youngsters with opportunities to make new friends, try new sports and gain confidence in their ability to face new challenges.

THE SPECIAL GIFT OF PROJECT TOY
This past holiday season, Project TOY gave over 5,500 children the joy of opening a new present. Many corporations and individuals provide significant support for this very special FSL activity. Included among our many generous holiday donors are Geico, Capital One Bank, Hunter Metal Industries, Global Hanger and Display, Inc., Reespecht Life, and Stalco Construction.
ADDICTION SERVICES
FSL offers comprehensive treatment for people with chemical dependencies, including drugs and alcohol. Services include screenings, assessments, treatment, counseling and evaluations.

CHILDREN AND YOUTH SERVICES
FSL provides programs to help children develop emotionally and to minimize delinquent behavior for those who are at risk. Toddlers, young children and teens receive professional counseling and participate in recreational activities designed to increase their self esteem. FSL supports children with autism and their parents through the emotional and psychological issues that arise with autism. Individual counseling sessions and recreational groups foster understanding and socialization.

EARLY CHILDHOOD
FSL provides educational and social training that instills confidence and promotes learning skills for pre-kindergarten children. Classroom activities focus on social and emotional growth and the development of physical and motor skills.
FAMILY MENTAL HEALTH AND COUNSELING
FSL’s mental health treatment centers include therapeutic, rehabilitative, and counseling support opportunities for every age group. Comprehensive evaluation and treatment for a range of psychological and emotional disorders is available.

HOUSING AND HOMELESS SERVICES
FSL offers direct help to individuals and families without basic shelter. Programs range from short-term emergency housing to help with permanent relocation assistance and financial aid.

TECHNOLOGY AND EMPLOYMENT
FSL gives people hope and inspiration through educational opportunities and technical training. Programs target job skill improvement and provide job search assistance and job placement for persons who are unemployed or under-educated.

INTEGRATED HEALTHCARE
FSL brings affordable, top-tier primary care to underprivileged individuals, families and those with mental illness. FSL’s support grid links health systems, physicians, nurse practitioners, and allied health professionals with on-site social services to provide clients with comprehensive health care in one location.
**FAMILY SUPPORT SERVICES**
FSL is committed to the health and well-being of the family unit. Programs address both emotional and economic hardship and target pre-K children to senior citizens. FSL supports troubled youth, returning veterans, and people with mental illness and offers emotional, psychological and financial aid.

**SENIOR SERVICES**
FSL ensures adequate housing, improved health care and regular social interaction for Long Island seniors and their families. FSL advocates for seniors and families who are finding it difficult to provide adequate care and financial support for aging family members.

**TRAUMA AND CRISIS COUNSELING**
FSL is on the front line in crisis situations. People who are grieving or who have experienced a catastrophic loss are met with compassion, care and guidance. During volatile situations, response teams deploy to assess and control the crisis at hand. Support groups follow up with counseling and coping techniques.

**VETERANS ASSISTANCE**
FSL empowers returning service men and women and their families by providing emotional, psychological and economic support. Social workers and counselors address the mental health issues that challenge returning veterans from experiencing a smooth re-entry to civilian society. Economic assistance helps families overcome obstacles to housing, employment and financial wellbeing.
THE 63RD ANNUAL HOUSE TOUR HONORS JACKIE HIGGINS AND GENIE KISSINGER, IN MEMORIAM

Over 500 guests toured five exquisite homes from Cold Spring Harbor to Huntington Bay on May 21st for our 63rd Annual House Tour. Guests lunched at Harbor Club at Prime, while shopping at our boutiques and bidding on raffle prizes. This year’s event was led by Committee Co-Chairs Kim Radovich and Susan Eisner. Thanks to our amazing leaders, honorees, committee, sponsors and over 175 volunteers, the event raised nearly $100,000 for FSL.

THE SUMMER GALA
A WONDERFUL EVENING FOR A GREAT CAUSE!

The Summer Gala was held on Saturday, July 12th. This annual Hampton’s favorite took place under a grand tent in Westhampton Beach and was co-chaired by Carolyn Drexel and Scott J. Skorobohaty. Guests mingled with NY Jet’s Alumni Players and the Flight Crew Cheerleaders. This extraordinary evening included delicious hors d’oeuvres, cocktails, dinner and dessert. The festivities of the night included dancing and shopping for unique gifts and services at the designer auction. We were honored to present Gair Betts, Kimberly Stevens, and Sandy Wyman with Community Leadership Awards. A wonderful evening for a great cause!

GREAT CHEFS OF LONG ISLAND

The gastronomic tradition known as “Great Chefs of Long Island” was held on Monday, November 10th in Woodbury. Over 40 of Long Island’s top restaurants presented their best fare. Guests sampled wonderful wines from Long Island vineyards to pair with the varied culinary selections. This annual favorite was co-chaired by Lisa Paris and Francine Whitehead. Our Honorary Chairman was Michael Bohlsen of the Bohlsen Restaurant Group. FSL had the distinct privilege of honoring several outstanding individuals for their commitment to improving the quality of family life in the communities we serve. Dedicated FSL volunteer and Board Member, Katharine Posillico McGowan of Katharine Jessica Interiors, received the Community Leadership Award. AvalonBay Communities, Inc. received the Corporate Leadership Award and Tom Schaudel, Master Chef and Restaurateur, was awarded Restaurateur of the Year.

FAMILY SERVICE LEAGUE | www.fsl-li.org
BECAUSE YOU CARE...

650 three and four year old children attended toddler and preschool programs.

Suffolk County residents participated in Senior caregiver counseling, support groups and educational programs.

100+ volunteer Ombudsman visited residents throughout Suffolk County’s Long Term Care facilities.

2,000 students received backpacks filled with school supplies.

5,500 children received toys this holiday season.

281 children participated in our Camp Program this summer.

3,000 individuals were given warm beds and shelter during this harsh winter season.

Long Island families continue to be supported by the FSL Disaster Case Management Team while they recover from the devastating effects of Hurricane Sandy.

In 2014 FSL opened two new Family Centers on the South Shore.

We have the support of over 350 active, dedicated volunteers.

Long Island veterans and their families are receiving assistance to rebuild their lives through counseling and financial referral resources.

15 school districts throughout Long Island partner with us to provide early intervention and support for children and teens facing challenges at school and home.

Substance and chemical abuse programs for teens and adults are offered at 7 locations throughout Suffolk County.

Every year FSL touches the lives of 50,000 individuals, children and families in need, helping mobilize their strengths and improve the quality of their lives at home, in the workplace and the community. Your support makes “Restoring Hope, Rebuilding Lives” a reality for so many - Thank You!
