MESSAGE FROM OUR PRESIDENT & CHAIR

Karen Boorshtein, LCSW
President & Chief Executive Officer

Dear Friends of Family Service League,

Thank you for helping to make 2015 a year of remarkable growth for Family Service League. Because of your support and FSL’s strong reputation, our organization broadened and deepened its services provided to Long Island’s most vulnerable residents. Our mental health services grew with the addition of several new programs, including a mental health clinic and a child mobile health team. As a result, we are serving an additional 1,200 people annually with access to counseling and therapy. With support from the U.S. Department of Health and Human Services Ryan White funding, FSL expanded its services for substance abuse counseling and treatment to include people who are HIV positive. And, with a generous grant from the Unitarian Universalist Church of Shelter Rock, FSL enhanced its community-based services to people who are diagnosed with serious mental illness.

Your support makes it possible for FSL to be the safety net for Long Islanders. When you donate to FSL, your gift stays right here in your community. Because of you, FSL touches the lives of over 50,000 people each year. We are able to do this because you believe that every individual deserves support through some of life’s most challenging circumstances: homelessness, substance abuse, mental health diagnoses, and unexpected financial hardships. FSL offers a helping hand at life’s most fragile moments.

If you have any comments or questions as you read our 2015 Annual Report, I hope you will reach out to us: 631-470-6770. We simply could not do what we do without your help. Thank you for partnering with us to Restore Hope and Rebuild Lives.

With warm regards,

Karen Boorshtein, LCSW
President & Chief Executive Officer

Francine Whitehead
Chair of the Board

OUR MISSION

Family Service League helps individuals, children, and families to mobilize their strengths and improve the quality of their lives at home, in the workplace, and in the community.

- Caring for newborns to centenarians who rely on the social safety net that FSL provides.
- Giving senior citizens companionship and purpose.
- Providing hope and protection for people with mental illness.
- Allaying the fears and desperation of teens and adults consumed by addiction.
- Offering nourishment and shelter to families.
- Reaching out to struggling families facing insurmountable financial burdens.
- We can proudly say that 87¢ of every dollar is directed towards programs and services for those in need.

Francine Whitehead
Chair of the Board
BOARD OF DIRECTORS

Family Service League’s Board of Directors is comprised of volunteers from both the business sector and the communities that we serve. Their commitment to our mission of hope, dedication, and giving ensures that the needs of struggling Long Island families will be met.

VOLUNTEER CORPS
Our programs would not be possible without the support of our incredible volunteers. All it takes is a sincere desire to help your Long Island neighbors. The work performed by the more than 400 members of our volunteer corps is essential to fulfilling the FSL goal — to restore hope and rebuild lives.

For individuals who wish to donate their time and talents, FSL offers training programs that prepare volunteers for specific programs such as tutoring and senior services. Opportunities are available for individuals to lend a hand with administrative support or special projects. Corporate and group volunteer projects are also available, including donation drives and special events support.

Our Volunteer Coordinator would be pleased to speak with you: 631.470.6772 or restorehope@fsl-li.org
HIGHLIGHTS OF HOPE IN 2015

FSL MAKES HUGE STEPS IN THE FIGHT AGAINST HEROIN ADDICTION

Heroin deaths have nearly tripled in Suffolk County since 2010, and heroin has killed a record number of people on Long Island in the last two years. FSL has added a powerful new option for opioid addicted individuals — Medication Assisted Treatment using the drug Vivitrol (extended release naltrexone), which has proven successful in helping individuals stay abstinent.

Vivitrol is not addictive and is administered monthly by injection. Studies have shown that people who undergo medicinally assisted treatment have higher rates of success than those who don’t. This model, in particular, has led to more days of abstinence, longer stays in treatment, reduced cravings for opioids, and higher rates of recovery. The FDA called the drug’s approval “a significant advancement in addiction treatment.”

In October 2015, the Suffolk County Sheriff’s Department invited FSL into a pilot program using Vivitrol to combat opioid and heroin abuse. Inmates interested in receiving Vivitrol in the jail must agree to continue treatment post release at a community provider. To bridge Vivitrol treatment between the Suffolk County jails and the community, FSL clinicians work closely with the Suffolk County Sheriff’s Office medical staff to accept referrals for Vivitrol continuation while the individuals are still incarcerated. FSL staff closely follows these individuals after they have been released to keep them engaged in treatment. Individuals are seen in the Bay Shore, Riverhead, East Yaphank and Shirley Family Recovery Centers to continue their treatment. For more information please contact Robyn Berger-Gaston, rberger-gaston@fsl-li.org, or 631-591-7580.

LEGACY SOCIETY

The Legacy Society was established to honor, thank and acknowledge those generous friends who have included Family Service League in their estate plans;

Donald Eversoll
Marianne Hammerschlag
Robin and Douglas Horn
Alice Houseknecht
Judith and Thomas Iovino
Lynn and Jonah Kaufman
Andrea B. and Peter D. Klein
Irving Klein
Helen Morris
Barbara Page
Barbara and Kenneth Peterson
The Joseph D. Posillico, Jr. Family
Richard and Ann Scholem
Judith and Matthew Sonfeld
Slava and Eric Vero

Estate of Florence Buermann
Estate of Agnes Funk
Estate of Elizabeth Orr
Estate of Jeanne Tuthill

Planning your legacy gift to FSL today will help make the future brighter for many of our Long Island neighbors. Please call Cynthia Gorman, VP of Development (631-470-6770 or restorehope@fsl-li.org) to discuss the various ways your generosity can help ensure the availability of needed services for future generations.
HIGHLIGHTS OF HOPE IN 2015

POSITIVE STEPS - FSL LAUNCHES NEW PROGRAM FOR PERSONS WITH HIV/AIDS

In 2015, FSL received Ryan White funding through the United Way of Long Island and the U.S. Department of Health and Human Services to provide substance abuse services to persons with HIV/AIDS. According to the National Institutes of Health, 24% of all persons with HIV are in need of substance abuse treatment. Substance use, abuse, and dependence have been closely associated with HIV infection since the beginning of the epidemic.

This is FSL’s first dedicated program for persons with HIV/AIDS. Named Positive STEPS (Substance abuse Treatment, Education, Prevention and Support), this program seeks to reach and assist the nearly 6,300 individuals living with HIV/AIDS on Long Island. This is the highest number of AIDS cases of any suburban area in the country and more cases than in 26 other states. The program is designed to help persons with HIV/AIDS in Nassau and Suffolk Counties reduce substance use, make healthy choices, and adhere to treatment. Services are provided in both English and Spanish, and individuals can be seen in their homes, community settings or in FSL’s offices. Tele-health is also available so clients and clinicians can have “face to face” meetings from different locations. Wellness workshops teach clients about mindfulness, which they can use to cope with triggers and prevent relapse. Other workshops include yoga and reiki. As a member of the Ryan White Nassau/Suffolk Care Coordination Network, Positive STEPS promotes partnerships with providers to help link our clients to care and improve their retention in care. For more information please contact Felix M. Ruiz, LMSW at 631-647-2155.

FREE PARENT-CHILD HOME PROGRAM OFFERED TO SOUTH SHORE FAMILIES

FSL has partnered with the Parent-Child Home Program (PCHP) to offer early education services to families residing in the greater Bellport area. The PCHP evidence-based model, developed in 1965, is designed to build school readiness at home by teaching parents to work one-on-one with their child and to support their role as their child’s first and most important teacher.

PGHP provides two years of intensive, twice-weekly home visits to underserved families with children two to four years old. These families are often challenged by poverty, isolation, limited educational opportunities, language and literacy barriers, as well as other obstacles to healthy development and educational success. Through these home visits, PCHP early literacy specialists educate parents on the importance of parent-child interaction and give them the tools (books and educational toys), skills, and encouragement to engage their children, ensuring that every child has the opportunity to enter school ready to succeed. For more information, contact Lisa Jamison, ljamison@fsl-li.org, or 631-470-6778.
VETERANS GRADUATE
FSL congratulates the students of the Kornreich Adult Computer Literacy Center. This special 12 week course served those who have served our country in the armed forces. These veterans learned new skills by strengthening their knowledge base of Microsoft Word, Excel, PowerPoint, Outlook, and Internet applications. Classes run throughout the year. For more information contact Lori Brennan at 631-470-6779. Generous funding for this program has been provided by a grant from John and Janet Kornreich.

CHILL & CHAT
The number of suicides on Long Island’s East End in recent years has concerned many community residents. “Chill & Chat” is a community support system comprised of friends and family of those lost to suicide or overdose. The group of 12 to 25 attendees has alternating recreational and talk-based meetings and has welcomed other local residents concerned about this growing crisis to join them as they work towards healing. Local businesses have donated space for meetings. While unstructured chat is the main focus of the group, members have discovered a bond that has become an important part of the healing process. This has been a successful model that could be replicated in other towns. For more information on starting a group in your area contact Robyn Berger-Gaston, rberger-gaston@fsl-li.org, or 631-591-7580.

DID YOU KNOW…
that FSL provides hundreds of workshops, groups and services each year in communities across Long Island?

- Ongoing support groups for caregivers of those 60 and older
- Autism & Social Skills groups for East End children on the spectrum meet weekly
- Recess for children with psychiatric illnesses meets weekly
- Operation Success and Homework Help give school children special attention
- Parent child workshops are held weekly at libraries
- Teen groups focused on managing stress and anxiety meet bimonthly in Westhampton
- A weekly Parent to Parent support group to parents of children with emotional problems at the Riverhead Family Center
- Kidnastics for children with autism and their siblings meets twice monthly
- Parenting Education 8 week courses are offered throughout the year
- “Positive Steps” HIV counseling offered throughout the year
- Family Recovery Center runs multiple chemical dependency treatment groups each week at many of our locations
- Monthly support groups for parents that have lost children to overdose (ADAM)
- Debt Counseling and Financial Literacy courses are offered throughout the year
- Early intervention workshops are available at many locations
- Anger Management 8 week courses offered throughout the year
- Post suicide counseling and support groups provide support to families
- Vocational Training and Computer courses are offered at various locations
PROGRAMS & SERVICES

BETHPAGE BACKPACKS
The first day of school can be both exciting and intimidating, especially if you can’t afford school supplies for your children. Thanks to a generous grant from Bethpage Federal Credit Union and donations from hundreds of caring Long Islanders, over 2,000 children began the school year with brand new backpacks filled with school supplies. In addition to giving children the things needed to complete their school work, the Bethpage Backpacks program gives children the gift of knowing that their neighbors care!

NEW MENTAL & BEHAVIORAL HEALTH PROGRAMS AVAILABLE TO WESTERN SUFFOLK COUNTY RESIDENTS
FSL is the premier provider of mental health programs on Long Island. We offer a broad spectrum services treating all aspects of psychological illness and emotional distress that affect every age group and all walks of life. FSL’s new Central Islip location, at 320 Carleton Avenue, will offer two additional programs: a Mental Health Clinic and an Assertive Community Treatment Team (ACT Team).

FSL’s Mental Health Clinics employ evidence-based treatment methods applied through multiple clinical specialties. Various treatment modalities and supportive services are used, including individual and group therapy, medication management, advocacy and referral, entitlement assistance, and other community sponsored self-help programs. The goal is to reduce mental health symptoms while strengthening and building self-sufficiency in order to improve the quality of life for those living with mental illness. The Central Islip Mental Health Clinic will serve over 900 clients. For more information contact Christian Racine, Ph.D., Sr. Director of Clinics, at cracine@fsl-li.org or 631-396-2342.

The ACT Team delivers comprehensive therapeutic, rehabilitative, and supportive services to individuals diagnosed with severe mental illness and whose needs have not been met by more traditional service delivery systems. These services are provided by a community-based interdisciplinary team that visits clients in their homes. For more information contact Lori Brennan, Asst. VP of Clinical Compliance & Community Behavioral Health Programs at lbrennan@fsl-li.org or 631-470-6779.

AMITYVILLE ADULT HEALTH HOME CARE MANAGEMENT OPENS
The opening of an Amityville location of an Adult Health Home Care Management (AHHCM) program was well received by residents and healthcare professionals in Western Suffolk County. AHHCM provides field and community based care coordination services for adults with behavioral health and/or chronic health conditions. The Care Coordination staff supports individuals recovering from multiple health conditions with a comprehensive needs assessment and includes issues such as mental health, physical health, and substance abuse, along with referral linkages for housing and benefit assistance.

The Amityville site, serving over 1,000 clients, is a strong complement to the AHHCM program operating in the FSL Bay Shore Family Center which currently serves 750 clients. This new office is located at 600 Albany Avenue in Amityville. For more information, contact Kate Bishop, kbishop@fsl-li.org or 631-650-2124.

FSL AWARDED CONTRACTS BY SUFFOLK DIVISION OF MENTAL HYGIENE
FSL was awarded contracts from the Suffolk County Division of Mental Hygiene. These services include: the Mental Health Clinic in Huntington, Children’s Mobile Team, and School Based Mental Health Programs for the Huntington and Riverhead School Districts.

UNITED WAY
United Way of Long Island awarded a grant to FSL in support of the CAIR (Community Advocacy Information and Referral) program to provide financial assistance to Long Island military personnel and veterans. This funding was made possible in part by the contributions from thousands of individuals through workplace payroll deductions.
FSL's Unique Support for Seniors and Their Caregivers

FSL offers New York State’s Long Term Care (LTC) Ombudsman Program, which advocates and provides resources for persons who reside in long term care facilities such as nursing homes and assisted living facilities. Ombudsman help residents and their families understand and exercise their rights to quality care and quality of life. The program advocates for residents by responding to a variety of concerns about long term care: quality of care, abuse and neglect, rights violations, missing belongings, dietary concerns, discharge, eviction or termination of services, public benefits programs and cost of care.

In 2015:
- Long Term Care (LTC) Ombudsman volunteered over 12,000 hours
- LTC Ombudsman conducted 4,689 visits to facilities
- LTC Ombudsman conducted 941 consultations with residents and family members regarding complaints, issues and concerns

For information please contact Joan Burke, 631-470-6755 or jburke@fsl-li.org

SUPPORT FOR CAREGIVERS

Since 2005, FSL has been providing professional support for caregivers of those over 60. Caregivers can easily feel overwhelmed by the needs of their family member whose care needs may be difficult to manage. Caregiver Support workers emphasize the importance of caregivers taking time for themselves by spending time with friends and other family members, getting adequate sleep and exercise, good nutrition and seeing a doctor for regular checkups. Many caregivers also work outside of the home but are continuously “on duty,” providing help to their family member day and night.

Learning to manage caregiver stress is important. FSL provides an opportunity for caregivers to talk about the impact of caregiving and makes referrals to resources to help ease the burden. Support groups are meeting in Riverhead, Selden, Greenport, East Hampton and Sag Harbor. Individual counseling for caregivers is also provided at no cost. For more information call 631-369-0104.

ACT Program is Helped by the Generosity of the Unitarian Universalist Congregation at Shelter Rock

The Unitarian Universalist Congregation at Shelter Rock awarded FSL a generous grant of $100,000 in support of the Assertive Community Treatment (ACT) program. The ACT Team delivers comprehensive therapeutic, rehabilitative, and supportive services to adults diagnosed with severe mental illness whose needs have not been met by more traditional approaches. Treatment plans are developed collaboratively by the team and client based on the individual’s strengths, needs, desires, goals, and culture. Because team members share responsibility for providing treatment and rehabilitation services, the entire team supports each client’s personalized goal of recovery. These funds were granted specifically to work with the ACT clients with criminal justice involvement to reduce emergency room visits and arrest/incarcerations, while increasing compliance with court appointments. The ultimate goal of ACT is to assist individuals to reach a point where mental illness is not central to their life and to build positive skills in the context of their environment.

For information contact Lori Brennan, Asst. VP of Clinical Compliance & Community Behavioral Health Programs at lbrennan@fsl-li.org or 631-470-6779.
A MEMORABLE FEAST
“A Thanksgiving to remember!” This was one of the many wonderful comments we heard from the families that were guests of the Petulant Wino. The owners and staff generously gave their time and talents to over 70 guests who came to the East End restaurant for a traditional Thanksgiving dinner with all the trimmings.

EVENTS

64TH ANNUAL HOUSE TOUR
The annual House Tour, held on Wednesday, May 20th, featured five beautiful homes showcasing some of the North Shore’s finest architecture and décor. FSL extends its appreciation to the dedicated committee of volunteers led by Co-Chairs Kim Radovich and Susan Eisner. The Design Leadership Award was presented to Randy Statham of Scarsella’s Flowers, Greenhouse and Home. The Community Leadership Award was presented to the Huntington Township Chamber of Commerce.

THE SUMMER GALA
The Summer Gala was held on Saturday, July 11th in Westhampton Beach. This sold-out starry evening on the beach proved to be a perfect night thanks to our generous supporters and honorees. This annual Hampton’s favorite was co-chaired by Carolyn Drexel, Jim Petrocelli and Scott J. Skorobohaty. The Corporate Leadership Award was given to Kevin O’Connor of Bridgehampton National Bank. Suffolk County Executive Steve Bellone received the Government Leadership Award. All are strong advocates of the programs offered by FSL and the need to increase funding for the services being provided to our community residents.
23RD ANNUAL GREAT CHEFS OF LONG ISLAND
The 23rd Annual Great Chefs of Long Island was a gastronomic feast attended by over 500 guests. Everyone enjoyed the delicious fare from 40 of Long Island’s best restaurants, which presented their finest cuisine. A bountiful selection of wines and beer capped the evening. Over $220,000 was raised by our esteemed honorees, generous sponsors and guests, along with a wonderful committee led by event Co-Chairs Fran Whitehead, Lisa Paris, and Kimberly Stevens.

Honorees Donna Moravick, RN, NP, MBA and Jay Enden, MD, MS, FACP of Southside Hospital Northwell Health accepted the Fay J. Lindner Humanitarian Award. James A. Johnston accepted the Community Leadership Award for The Engel Burman Group. Honoree John Corrado of Suffolk Transportation was given the Corporate Leadership Award.

“We appreciate our supporters for believing in the mission of FSL and we are looking forward to another wonderful selection of events in 2016. Guests feel part of the work being done to help vulnerable people in our society overcome life-altering challenges. The success of any event requires a collaborative effort on the part of the generous donors, honorees, committee volunteers, FSL Board and staff. It is an honor to help lead this effort knowing that the proceeds go to help so many Long Islanders in need.”

Scott J. Skorobohaty
Executive Vice President, People’s United Bank
Gala Co-Chair and FSL Board Member

AN EARLY HOLIDAY
Thirteen children received the special early holiday surprise of new bicycles on Sunday, Dec. 13th. These generous gifts of new bikes, helmets, accessories and breakfast for the families were donated by Bikes For Kids in America, The Bicycle Planet in Syosset, Massapequa Bicycle Club and Bagel Master of Syosset. Donors Enrico DeLuca and Jimmy Sunshine, along with FSL staff and volunteers, were at the event to support the families and teach the children to ride their shiny new gifts!

“For many kids facing adversity, receiving a new bike of their own is something they can only dream about, so all of us are happy to be able to bring smiles to the faces of these wonderful kids.”

Enrico DeLuca
President and Founder
Bikes for Kids in America, Inc.
Our Donors & Volunteers are the heart of Family Service League

Thank you for partnering with FSL to improve the quality of life for your neighbors in need. Your support helps FSL reach thousands of people each year: people who are homeless and need shelter; families facing financial hardships; children in need of early intervention and educational services; people who have addictions and want to begin a sober life; those who feel such despair that suicide seems the only way out. With your support FSL extends a helping hand to our neighbors in need.

A special thank you to all who have contributed in-kind gifts to our many programs, including donations for our Project TOY children, backpacks for our students, and clothing for so many people in need. In addition, we appreciate the many businesses who generously donate auction and raffle items which add to the success of our fundraisers. These acts of kindness are appreciated and valued by all we serve.

We would also like to thank:

Our Suffolk County Legislators
Town of Babylon
Town of Brookhaven
Town of East Hampton
Town of Huntington
Town of Islip
Town of North Hempstead
Town of Riverhead
Town of Southampton
Town of Southold

We wish to recognize and thank the following school districts:
Brentwood Union Free School District
East Hampton School District
Hampton Bays School District
Huntington Union Free School District
Mattituck / Cutchogue Public Schools
Minoa Public Schools
Montauk School District
Riverhead Central School District

BECAUSE YOU CARE…

- 650 three and four year old children attended toddler and preschool programs.
- Community seniors and their caregivers participated in counseling groups and gained long term care support from the Ombuds volunteers.
- In September, over 2,500 students received backpacks filled with new school supplies.
- Over 5,600 children were given new toys this holiday season.
- 70 veterans learned computer skills.
- 400 individuals benefited from vocational and employment services.
- 1,200 homeless people had warm beds and meals this winter.
- Long Island veterans and their families rebuilt their lives though the benefit of counseling and financial resources.
- Over 1,300 people faced their addiction issues with counseling and treatment.
- 800 schoolchildren participated in tutoring and after school activities.

When you donate to FSL, your gift stays right here our community. FSL touched the lives of over 50,000 people annually on Long Island through its broad spectrum of programs and services. We are able to do this, and so much more, because you believe that every individual deserves support through life’s most challenging circumstances and most fragile moments. Thank you.

YOU CAN HELP
Find out how you, your company or organization can help by participating in one of our fundraising events through various underwriting, partnership and committee opportunities. Please contact Tricia O’Hare, Director of Development & Communications at 631-998-0009 or tohare@fsl-li.org
