MESSAGE FROM OUR PRESIDENT & BOARD CHAIR

Dear Friends,

With your support FSL has been able to touch the lives of over 50,000 Long Islanders annually through its broad array of 60 programs at 20 locations. Our comprehensive network of care serves infants to elders through Children & Youth Education Programs, Senior Services, Vocational Training, Family Support Counseling, Mental Health Counseling, Integrated Health Care, Substance Abuse Programs, and Housing & Homeless Services.

Over the past few years, developing alliances has become a hallmark of FSL’s leadership and vision in its goal to build networks of care for those in need across Long Island. These include the management of a Suffolk County homeless shelter that provides housing for 400 individuals every day. Another effort was developing integrated health care services which make it possible for clients with complex behavioral health difficulties to receive mental health, substance abuse counseling, and primary care services in one location. Working with local school districts, FSL is the largest community based provider of Universal Pre-Kindergarten, serving more than 700 children. And as we look ahead, FSL will be partnering with Southside Hospital Northwell Health, in a new and much needed Health & Wellness venture being created on the South Shore.

We see our impact and influence spreading across Long Island thanks to the generosity and vision of our donors, combined with the commitment of Board members, volunteers, and staff. We invite you to learn more about FSL’s vital programs that are helping to make great strides in combating our community’s social and emotional challenges. Together with our supporters, FSL is continuing its mission of helping individuals, children, and families to mobilize their strengths and improve the quality of their lives at home, in the workplace, and the community.

A TRANSITION OF LEADERSHIP ON THE FSL EXECUTIVE TEAM

During 2016, Jonathan Chenkin, VP for Development; Shari Feld, Chief Financial Officer; and Nancy Jacob, VP of Human Resources, joined the FSL Executive Team. All came with a wealth of experience and dedication to the FSL mission.

Our best wishes and thanks to Bernice Selig, CFO; Madeline Kane, VP of Human Resources; and Cynthia Gorman, VP for Development on their respective retirements and relocation. Their years of service and commitment to FSL made a real and lasting impact.

CAMPAIGN FOR HEALTH & WELLNESS

Everyday thousands of Long Island children and adults are suffering with the challenges associated with mental illness and addiction. Those affected by these behavioral health disorders are best helped by the systematic coordination of general medicine and behavioral health care – a concept called “integrated health care.” In 2016, FSL began the campaign to fund a new 14,000 square foot facility adjacent to the Iovino South Shore Family Center in Bay Shore. Construction on “The Fay J. Lindner Health & Wellness Center” on the Judith and Thomas Iovino Campus will begin in early fall of 2017. Medical services will be provided in coordination with Southside Hospital Northwell Health. The new facility will expand FSL capacity, providing clients with a comprehensive and effective way to access primary care medicine, some specialty practices, pharmacy services, and behavioral health services under one roof.

WHEN SOMEONE ASKS YOU... “WHAT IS FAMILY SERVICE LEAGUE?”

- We give warm beds and food to the homeless.
- We help children and adults who are struggling with mental illnesses, drug or alcohol problems.
- We help people train for and obtain employment on their journey to becoming self-sufficient.
- We help the poor obtain food, clothing, medical care, and find housing.
- We help infants and children, particularly those who are disadvantaged, get a good start in life.
- We operate pre-school learning centers, universal pre-K programs, and after-school programs.
- We provide trauma counseling and support to communities impacted by critical incidents.
- We help seniors maintain independence and provide support for their caregivers.
- We are a non-profit human service organization providing a safety net for Long Islanders in need.

Family Service League has been helping children, individuals and families since 1926. Because of supporters like you, FSL is able to provide for our most vulnerable neighbors, making life better for all of us on Long Island. FSL is Restoring Hope, Rebuilding Lives!
FAMILY CENTERS BASED IN LONG ISLAND COMMUNITIES

FSL’s unique program model includes strategically based Family Centers that provide a continuum of care addressing the multitude of challenges facing today’s families and a lifelong care for our most vulnerable residents. Located in Bay Shore, Huntington Station, Riverhead, and Mastic Beach, these facilities embed a spectrum of vital services in the communities where people live, attend school, and work.

On Dec. 2, 2016, dignitaries, school officials, Board members, and supporters were among the more than 60 guests that celebrated the Ribbon Cutting of the FSL’s newest office in Mastic. Located at 1235 Montauk Highway. Guests met FSL staff and were given tours of the facility while learning about the many services being offered, most of which focus on the challenges of Mental Health, Chemical Dependency, Crisis Intervention, and Supportive Counseling.

“The services offered at the Mastic location complement the broad spectrum of programs that FSL provides across Long Island and give Brookhaven community members much needed resources. FSL embraces a holistic approach to behavioral health services that address the social, emotional, and educational needs of children, families, and individuals by providing access to vital programs. Our Mastic location works with FSL’s William Floyd Family Center and the William Floyd School District to promote healthy lifestyles while strengthening ties within the Brookhaven community.”
— Christian Racine, Ph.D., FSL Senior Director for Clinics

FSL’s iovino South Shore Family Center in Bay Shore is the first social services organization in New York State to have a pharmacy onsite for clients to fill their prescriptions. Genoa, a Qol Healthcare Company, is a national chain specializing in medications for the behavioral health community. Studies show that clients who are able to get their prescriptions filled immediately have a 93% compliance rate with taking their medications, compared to a 50% compliance rate when they have to travel to another site to fill their prescriptions. The site specifically serves FSL clients and is not open to the public.

The South Shore Shelter, housing approximately 400 children and adults, is now part of FSL’s broad portfolio of services. The FSL team is committed to working with each family to ensure that they have access and referrals to essential services such as counseling, healthcare, education, and most critically, the availability of food. FSL is also providing the children in our shelter, ranging in age from infant to 18, with activities and services such as child care, homework help, and recreational opportunities like crafts and sports. All of which provide children and their parents with a sense of support during this emotional and traumatic time. This combination of services helps facilitate the family’s ultimate goal of transition into affordable permanent housing. For information contact Valerie Chamberlain, LCSW, FSL AVP for Housing & Homeless Services at vchamberlain@fsl-li.org or 631-470-6929.

1,098 families relied on FSL’s Bay Shore Food Pantry to supplement their meals and household needs in 2016. This was an 18% increase over 2015. Our thanks to the individuals and organizations that made a difference in the lives of so many!

ADDITIONAL LOCATION FOR MENTAL & BEHAVIORAL HEALTH PROGRAMS

FSL is the premier provider of mental health programs on Long Island. We offer a broad spectrum of services treating all aspects of psychological illness and emotional distress that affect every age group. FSL’s location in Central Islip at 320 Carleton Avenue, offers two additional programs: a Mental Health Clinic and an Assertive Community Treatment Team (ACT Team).

FSL’s Mental Health Clinics employ evidence-based treatment methods and supportive services, including individual and group therapy, medication management, advocacy and referral, entitlement assistance, and other community sponsored self-help programs. The goal is to reduce mental health symptoms while strengthening and building self-sufficiency in order to improve the quality of life for those living with mental illness. For information contact Christian Racine, Ph.D., Sr. Dir. of Clinics, at cracine@fsl-li.org or 631-396-2342.

The ACT Team delivers comprehensive therapeutic, rehabilitative, and supportive services to individuals diagnosed with severe mental illness and whose needs have not been met by more traditional service delivery systems. These services are provided by a community-based interdisciplinary team that visits clients at their residence. For information contact Lori Brennan, AVP of Clinical Compliance & Community Behavioral Health Programs at lbrennan@fsl-li.org or 631-470-6779.
NEW PROGRAM OFFERS HOPE TO FAMILIES AFFECTED BY ADDICTION

FSL has over 90 years of experience in supporting families through life’s greatest challenges. Unfortunately, substance abuse is on the rise in our communities and across the nation. This is a disease that knows no age, race, gender, or socioeconomic status. Addiction deaths have tripled in Suffolk County since 2010. While there is no cure for substance dependency, there are a variety of treatment regimens that can help channel the addicted person toward a path of strength, resilience, and recovery.

“ADAM” – ADDICTION DIRECTION AND MANAGEMENT

In response to this evolving issue, FSL’s ADAM program was specifically designed for the unique needs of families affected by addiction. The program supports families through the emotionally challenging journey of loving a person who is addicted. The approach to substance abuse intervention includes an in-home crisis response model which provides counseling, support services, and linkage to treatment options. FSL’s counseling team meets with families in their home to provide support during emotionally charged or volatile situations. An FSL social worker facilitates group meetings for those who have lost children to drug addiction and/or suicide. When possible the FSL team will intervene during the brief window of opportunity when a substance abusing person is receptive to help, so that the bridge to treatment is immediately available. Generous support of the ADAM program is being provided by the Look Up for Adam Foundation in loving memory of Adam David Nuszen. For information, please contact Robyn Berger-Gaston, LCSW-R, FSL Division Director at rberger-gaston@fsl-li.org or 631-591-7580.

KRISTY’S SMILE FOUNDATION

For over a decade the Kristy’s Smile Foundation has provided funding to Family Service League. Donating over $30,000 in memory of Kristy Irvine and the work she did for FSL before her passing. She and her friends began the “Secret Smiles” foundation and it truly transformed the lives of children in need — giving many the items which created beautiful, comfortable bedrooms. They purchased beds, bedding, and accessories, and sent it anonymously to the family home!

Over the years, the generosity has continued in her memory and funding from Kristy’s Smile has enabled FSL to provide direct support to persons in greatest need — our homeless, our veterans, our children and families.

In 2016, Kristy’s Smile provided a generous gift of over $30,000 which allowed FSL to purchase much needed vans for our homeless programs. Special thanks to Brendan Ryan, Michael Stewart, Horton Foote, and the many Kristy’s Smile supporters. All of whom have truly gone above and beyond for Family Service League and the community members we serve. We all have heard people say, “Why doesn’t someone do something about homelessness and poverty?” We are proud and grateful to have the founders of Kristy’s Smile doing just that. Their efforts are helping to change lives and restore hope to so many!

The Legacy Society was established to honor, thank, and acknowledge those generous friends who have included Family Service League in their estate plans.

THE 2016 EVENTS WERE SPECIAL BECAUSE OF YOU

“FSL was privileged to have the opportunity to recognize honorees for their dedication, vision, and commitment to the families and children of Long Island. The teamwork of our volunteer committees involved in the production of each event is inspiring. Our deepest thanks to the honorees, donors, guests, and volunteers for their support of our fundraising events.”

— Francine Whitehead, FSL Board Chair & 2016 Great Chefs Co-Chair

Hundreds of people had the opportunity to explore North Shore’s finest homes on the 65th Annual House Tour and, at the same time, support FSL’s programs by raising more than $130,000. A gourmet lunch was held at Harbor Club at Prime where Marge Sammis received the Community Leadership Award and Sal Ferro, of Alure Home Improvements, was presented with the Corporate Leadership Award. This fundraiser was made possible by the volunteer efforts of over 130 members and event co-chairs, Susan Eisner and Mary Winterle.

The Friday, July 22th Hampton’s Summer Gala in Westhampton Beach was a SOLD-OUT success! We were pleased to have the opportunity to honor People’s United Bank with the Corporate Leadership Award and recognize Bernice Selig, FSL’s Chief Financial Officer, with the Lifetime Achievement Award in appreciation for her 32 years of outstanding service to the agency. Our Gala Co-Chairs, Jim Petrocelli, Scott J. Skorobohaty, and Kim Stevens, along with a great committee, created an extraordinary oceanfront evening on Dune Road.

The gastronomic tradition known as “Great Chefs of Long Island” was held on Monday, November 7th at the Crest Hollow Country Club in Woodbury. Over 40 of LI’s top restaurants and wineries, from Long Beach to the Hamptons, presented their best fare during an evening of decadent tastings and delicacies. Bethpage Federal Credit Union received the Community Leadership Award, Giorgio Meriggi of Stresa Restaurant was awarded the Restaurateur Award, and USI Insurance Services LLC was presented with the Corporate Leadership Award. The Co-Chairs Matt Niegocki, Dennis Russo, Fran Whitehead, and fabulous committee planned a spectacular evening for all.

OUR DONORS & VOLUNTEERS ARE ALWAYS AT THE HEART OF FSL

In 2016, over 360 volunteers giving more than 29,000 hours helped FSL provide valuable services to thousands of people across Long Island. Whether mentoring a teen, helping as a senior advocate, or lending business experience, their generosity with both time and talents are always appreciated. We welcome individuals, businesses, and civic organizations to become part of the FSL family of volunteers looking to make a difference in the lives of their neighbors. For information contact Mary Winterle at FSL Volunteer Services at mwinterle@fsl-li.org or 631-470-6772.
There are many Long Islanders living without the basic necessities that most of us take for granted. When food, safety, and shelter are lacking, it becomes nearly impossible to survive, much less function. When offered essential support and life skills, struggling individuals can heal, grow, and contribute to the communities that supported them.

YOUR GIFT HAS HAD A SUBSTANTIAL IMPACT ON THE LIVES OF YOUR NEIGHBORS!

FSL is appreciative of all donations. We regret that space permits us to list only donors of $10,000 and above.

We invite you to become part of our family of donors through Memorial & Honor Gifts, Corporate Matching, Gifts of Stock and Securities, In Kind Donations, and Wills and Bequests. Your tax-deductible gift, in any amount, provides direct support for thousands of Long Island children and families in need.

FSI is appreciative of all donations. We regret that space permits us to list only donors of $250 and above. Please accept our sincere apology in advance for any errors or omissions.
A SPECIAL THANK YOU

A special thank you to all who have contributed in-kind gifts to our many programs, including donations of holiday toys, backpacks for students, food, and clothing for so many people in need.
