MESSAGE FROM OUR PRESIDENT & CHAIR

Dear Friends,

On behalf of the Board of the Directors and communities we serve, thank you for your commitment. Because of you, we are able to continue the work that began over nine decades ago. Over this expanse of time, FSL has grown and evolved to meet the challenges and adversities that face our Long Island neighborhoods. FSL is as mission driven today as when our first volunteers conceived of a better way to reach out to those in need. FSL helps people achieve their highest quality of life through programs that strengthen individuals at home, in the workplace, and in their communities.

In 2017, FSL was able to touch the lives of over 50,000 people by addressing some of the most critical issues facing community residents. Unfortunately, mental illness is more common than cancer, diabetes, and heart disease. It affects people of all ages, races, denominations, and income levels. Substance abuse is on the rise in our society, with both tragedies and abuse statistics making news every day. FSL is on the forefront of helping people affected by these behavioral health issues by integrating behavioral health and primary care — which leads to better outcomes for everyone.

Sadly, homelessness is another devastating reality that remains a fact of life for thousands of people across Long Island. Our shelters make it possible for families to receive help while dealing with this traumatic ordeal. FSL’s staff and programs provide families with job and skills training, educational programs, financial literacy, essential resources, and child care to help them prepare to live independently. These are only a few of the pressing issues that face too many families.

Your belief in FSL has been instrumental in building a human service organization offering 60 vital programs at more than 20 locations across Long Island. We appreciate your confidence in our ability to provide the needed expertise and resources for the most fragile and vulnerable of our neighbors. Please contact us at restorehope@fsl-li.org if you would like to learn more about the ways we are working together to improve the lives of thousands every day.

Sincerely,

Karen Boorshtein, LCSW

EVERYDAY FSL PROVIDES SHELTER TO OVER 500 INDIVIDUALS FACING HOMELESSNESS

Temporary housing and shelters are part of the vital services that make up FSL’s broad portfolio of over 60 programs and services offered throughout Long Island. Offering shelter to hundreds of families, FSL provides each with a case manager and a housing worker. These FSL teams are committed to working with the family members to ensure that they have access and referrals to additional essential services such as counseling, healthcare, education, and most critically, the availability of food. Children residing in our shelters range in age from infancy to 18 years old. Services such as child care, homework help, and recreational opportunities provide children and their parents with needed support during this difficult time. This combination of services helps facilitate the family’s ultimate goal of transition into affordable permanent housing. For information, please contact Valerie Chamberlain at vchamberlain@fsl-li.org or 631-470-6929.

PROGRAMS MAKING A DIFFERENCE IN THE LIVES OF COMMUNITY RESIDENTS

Unfortunately, in today’s environment there is a greater than ever need for FSL’s Community Crisis Action Team (C-CAT), which had been created in response to the terrorist attacks on 9/11, when FSL’s mental health workers responded to the trauma individuals were facing in schools, government buildings, businesses, and meeting face-to-face with families directly impacted. The FSL staff participates in extreme crisis and specialized trainings on crisis intervention with the International Critical Incident Stress Foundation. Since inception, the FSL C-CAT team, comprised of over 20 highly trained individuals, has responded to more than 325 incidents which have included violence in the workplace, car accidents, plane crashes, kidnappings, bank robberies, and other crisis-related incidents. C-CAT is available 24 hours a day, 7 days a week.

Joe’s Project, the suicide response component of the C-CAT team, began in 2007 when the son of one of FSL’s social workers took his own life. These individuals are trained in suicide intervention, prevention, and post-vention to provide specialized counseling in homes, businesses, and schools, often meeting with family and friends within hours after their loss. For information, please contact Robyn Berger-Gaston at rberger-gaston@fsl-li.org or 631-591-7580.

FIGHTING THE DEVASTATING IMPACT OF ADDICTION ACROSS LONG ISLAND

Opioid deaths have nearly tripled in Suffolk County since 2010, and heroin has killed a record number of people on Long Island in the last two years. In response to the growing problem of drug addiction, FSL offer programs for individual and families during the emotionally challenging journey of recovery. If you or someone you love is in need of help, take action and reach out! For information, please contact Melissa Coscia at mcoscia@fsl-li.org or 631-647-3113.

CREATE YOUR LEGACY THROUGH A PLANNED GIFT

Since 1926, FSL has helped Long Islanders through sorrows, triumphs, and the challenges faced by those lacking even the most basic of life’s necessities. As much as things have changed, one thing remains consistent – the need for quality mental and behavioral care is critical for our communities to thrive. Donors are a vital part of FSL’s guiding mission of helping those in need and providing unparalleled quality services for future generations. Just as you support FSL today, your planned gift to the Legacy Circle will ensure care and services are available tomorrow and every day. You can join us in this effort by including FSL in your estate planning:

- Giving through your will or living trust
- Naming FSL as a beneficiary of a life insurance policy, retirement plan, mutual fund, or bank account
- Giving stocks, bonds, real estate, or property

VITAL CARE FOR SENIORS

The needs of Long Island’s seniors are diverse and often complex with issues range from housing, health care, dietary needs, caring for dependent grandchildren, to basic companionship. FSL sponsors a number of vital programs that provide advocacy for seniors and critical aid for loved ones who have assumed responsibility for their care. One of these life-altering services is the Nursing Home Transition & Diversion (Geriatric Waiver) is a NYS Medicaid-waiver program which supports seniors living at home, in long-term care facilities, and those at risk of long-term care placement by coordinating funding and resources to help support an independent-living environment. Once an individual is assessed by SILO (Suffolk Independent Living Organization) the services available may include assistive technology, help with the expenses of moving, renovations, and home care, as well as care management.

We know you have a lot to consider as you determine what options are best for you. We deeply appreciate you taking the time to explore the many possibilities for planned giving and imagining the impact your gift will have on future generations. With a planned gift to FSL, you can combine your passion for giving with your overall financial and estate planning goals. You will know that you have made a meaningful contribution to your Long Island neighbors in need. We encourage you to speak with your financial advisor or attorney for full explanation of the tax benefits of charitable giving and reducing the tax burden on your heirs. We are here to answer questions, schedule a tour, and share more information.

The Campaign for Health & Wellness, chaired by Lynn Kaufman, has reached over 75% of its $4 million goal for the construction of a new 14,000 square foot center adjacent to FSL’s Iovino Family Center in Bay Shore. With the support of our donors, FSL is at the forefront of the integrated health care movement and is embarking on the expansion of its Community Health Care Collaborative, currently funded by the Fay J. Lindner Foundation. Partnering with Southside Hospital Northwell Health, FSL will expand its capacity to provide all clients with access to primary care medicine and some specialty practices. FSL’s Health & Wellness Center will be a welcoming atmosphere which includes a reception area, treatment rooms, procedure rooms, and group and individual counseling offices. Conference rooms will be available for case management meetings between clinicians, psychiatrists, and social workers. Genoa, a specialty pharmacy, will continue filling client prescriptions on-site. Combining primary and behavioral health care services under one roof offers a comprehensive way to meet the unique needs of individuals seeking help. For more information contact Jonathan Chenkin at jchenkin@fsl-li.org or 631-470-6770.

FSL opened a new Family Center located on the campus of the Patchogue-Medford School District. This new facility offers easy access for families and children in the school district by providing services such as counseling, mental health treatment, and family support programs. For information, please contact Robyn Berger-Gaston at rberger-gaston@fsl-li.org or 631-591-7580.
THE 2017 EVENTS WERE SPECIAL BECAUSE OF YOU
THANK YOU FOR HELPING TO MAKE THE FSL FUNDRAISING EVENTS A SUCCESS!

The 66th Annual House Tour welcomed hundreds of guests to explore five of the North Shore’s most magnificent homes and, at the same time, support FSL’s services by raising more than $100,000. The gourmet lunch included a presentation to recognize honorees for their commitment to the families and children of Long Island. FSL was privileged to have the opportunity to present Kim Radovich, Kim E. Courtney Interiors & Design, with the Community Leadership Award and Regina Rogers, Douglas Elliman Real Estate, with the Corporate Leadership Award. The day was made possible by the amazing efforts of over 200 volunteers and event co-chairs, Susan Eisner and Mary Winterle.

The July 14th Hampton’s Summer Gala in Westhampton Beach was a SOLD-OUT success! FSL was pleased to honor Lincoln Computer Services with the Corporate Leadership Award and The Houseknecht Family with the Community Leadership Award. Teddy Cillis, President & CEO, and John Antimisiaris, Vice President & CTO, accepted the award on behalf of Lincoln. Alice Houseknecht, founder of the foundation graciously accepted the award and spoke about the positive impact that FSL has had on the East End. Gala Co-Chairs, Jim Petrocelli and Kimberly Stevens, along with a great committee, created an extraordinary oceanfront evening on Dune Road.

The 25th Anniversary of the gastronomic tradition known as “Great Chefs of Long Island” was held on Monday, November 6th at the Crest Hollow Country Club in Woodbury. Over 50 of LI’s top restaurants, wineries, and spirit vendors, presented their best fare for an evening of decadent tastings and delicacies. Sal Ferro, President of Alure Home Improvement, was the emcee for the evening and Scott Maskin, President of SUNation Solar Systems received the Community Leadership Award. Co-Chairs, Matt Niegocki of Prudential Financial Advisors and Dennis Russo of GEICO, along with a fabulous committee hosted a spectacular evening for all.

With the support of Bethpage, and many other donors across Long Island, FSL was able to offer welcomed relief to hundreds of families facing financial hardship by providing much needed school supplies to over 3,000 children. FSL is proud to work with Bethpage and many other wonderful organizations to offer programs that contribute to a child’s educational development.
