# A MESSAGE FROM KAREN BOORSHTEIN, LCSW PRESIDENT & CEO

Thank you for spending the evening with us as we celebrate the 29<sup>th</sup> Annual Great Chefs of Long Island. The proceeds of our fundraising events help us to provide quality programs and services which impact the lives of thousands of people every day. Although Long Island is considered by many to be prosperous there are too many children and adults enduring severe hardships - poverty, homelessness, food insecurity, struggling with the challenges of mental illness, or living with the destruction of addiction. FSL delivers tangible help and crisis intervention across a broad spectrum of areas that offer education, housing, support, and counseling services. *Your funding is making a difference. Your thoughtfulness and generosity have been vital to our mission of helping to Restore Hope and Rebuild Lives.* 

On behalf of the Board of Directors, thank you for sharing your time with us. We extend our gratitude to our honorees, sponsors, and guests. We applaud the efforts and creativity of the chefs, restauranteurs, beverage vendors, and their teams who contribute to this unique event.

Again, please accept my sincere thanks for helping us to assist our neighbors in need.

Warmest regards,

Karen Boorshtein, LCSW

President & CEO

Since its inception in 1926 as social service agency, the Huntington-based Family Service League has grown dramatically — achieving national accreditation and expanding its scope of influence and support throughout Long Island. Every year, more than 50,000 individuals in need, from newborns to centenarians, rely on its broad spectrum of safety net programs and care. Today, it operates 60+ social service programs in more than 20 locations.

The dedicated staff, numbering more than 700+ professionals and support personnel, provides both physical and emotional aid to Long Island's most vulnerable citizens. Each of FSL's Family Centers feature up to 20 distinct social services — enabling fragile families to take advantage of multiple, integrated services in a more efficient and cohesive way. Most importantly, every day FSL strives to keep vulnerable children, adults, and families strong and supported.
