

Update 3/24/20

Family Service League considers the health and safety of our clients, staff, and community members of utmost importance. Following the guidance from NYS Governor, Andrew Cuomo, as well as our County Executive, Steve Bellone, all FSL offices will be closed for onsite services until further notice. As COVID-19 continues to evolve and impact everyone, the vast majority of FSL programs are **operating effectively and even expanding services via secure digital telehealth methods such as video conferencing, email, and phone.**

FSL's DASH Crisis Center and Hotline remain available and open 24-Hours!

Call the Hotline 631-952-3333 or go to DASH at 90 Adams Avenue, Hauppauge, NY

Facing mental health or addiction issues can be overwhelming, especially combined with the additional stress due to the COVID-19 virus. FSL's DASH Center is open 24 hours and can help you and your loved ones begin a journey to better health. This unique crisis care center is a beacon of hope for Suffolk County children and adults who are struggling to cope with a mental health or addiction problem.

FSL's critical network of Homeless Shelters will remain fully staffed and operational for Long Island most vulnerable community members. FSL provides food, housing, and essentials for over 600 Long Island children and adults who reside in our homeless shelters each night. If you are interested in donating to this effort please contact us at restorehope@fsl-li.org or call 631-470-6770.

Like many of you, we feel that these modifications are necessary in order to be socially responsible while still offering the vital services that thousands of children and adults rely on every day. FSL will continue to work with our elected officials, public agencies, and other organizations to determine what actions should be taken. **We appreciate your confidence and are pleased to be a resource for our clients and colleagues during this difficult time. Please continue to check www.fsl-li.org regularly for updates and program contact information.**

Please note the following:

- Early Learning Centers and Universal Pre-Kindergarten classes suspended per NYS directive.
- The Community Thrift Store will remain closed until further notice.
- In a continuing effort to maintain the health of community members all volunteer activities have been postponed.
- If you would like to make a monetary or in-kind donation to the FSL Food Pantry contact restorehope@fsl-li.org, call 631-291-0410, or text 91999 and type "FSLCovid".

Together, we can overcome the challenges of this unprecedented situation and work toward a stronger future.
