

Message from Karen Boorshtein, FSL President & CEO

Dear Friends,

As we continue to grapple with the ongoing impact of COVID-19, we are also reminded that there are more challenges that we face as a community. Since 1926, FSL has been seeking to advocate and protect the most vulnerable of our Long Island neighbors. Racism has no place in our society and it has again brought deep divisions to our lives. The social injustices, disparities, and disturbing events we have all witnessed are a constant reminder that we as a community need to come together.

FSL was founded with the guiding principles and ideals of equality and justice for all. Today, these same values guide us. FSL continues to embrace and respect our diverse community, serve and support all who need our help, and reach out as a beacon of hope for anyone in need.

FSL offers over 60 programs which provide immediate assistance those who are struggling and in pain. Please contact us - we are here to help you and your loved ones. Visit www.fsl-li.org, call 631-427-3700, or the DASH 24-hour crisis hotline 631-952-3333.

Together, let us build a future that lives up to the highest ideals of equality and justice for all people as we continue our mission of Restoring Hope and Rebuilding Lives.

Sincerely,
Karen Boorshtein, LCSW
President & CEO
