Over 300 friends and staff joined us as we "walked, ran, and biked" virtually to help build awareness and raise much needed funds for the 60 vital programs that thousands of children and adults rely on each day. Our heartfelt thanks to the co-chairs, Fran Whitehead and Molly Ferro, committee members, sponsors, volunteers, supporters, and walkers for their time, talents, and commitment to making this a great day for everyone no matter where they were across Long Island. In all, more than \$100,000 was donated by those who believe in our mission of service to the community and want to help us Restore Hope and Rebuild Lives!

We proudly recognize the generous sponsors of FSL's 2nd Annual Walk for Wellness!

Every year, it touches the lives of more than 50,000 Long Island children and families. In this social climate it is important to reiterate its founding values - FSL rejects racism, prejudice, and intolerance on every level. Today, and every day in communities across Long Island, FSL is Restoring Hope and Rebuilding Lives!

Your contributions are needed now more than ever. Together, we can overcome the challenges of this unprecedented situation and build a stronger future for all Long Islanders! Making a tax deductible donation is easy by clicking below or sending a text to 91999 and type "FSLCovid".
