This is a great way to support programs which help children and adults throughout - Long Island. This year's WALK will benefit FSL's programs and clients impacted by the -

COVID health crisis. For the safety and health of participants we are organizing the event so that anyone can share with us via social media (#FSLWALK) at the location of their choice while following recommended guidelines.

For information on ways you can be part of this great fundraising activity contact Jennie Sandler Fiocca at [jsandler@fsl-li.org](mailto:jsandler@fsl-li.org) or 631-470-6775
