Will you be a Camp Champion for a child?

For over 40 years, FSL has provided children living in poverty with a brighter summer. Due to various economic and emotional challenges that families are facing, this extraordinary program has grown to accommodate over 200 children each year. Even though it's cold outside, our team is making plans for children to participate in this positive experience. We are asking those who want to make a difference in the life of a child to step up and join FSL as a "Camp Champion".

Summer camp can influence a child's life, especially for children suffering daily hardships most of us will never have to endure. It is a time they can learn to enjoy themselves, make new friends, explore a new environment, and in the time of COVID-19 we designed Camp in a Box for a unique virtual experience. It is the "Power of Play" which helps children develop skills to communicate effectively, work as a member of a team, and to grow as an individual.

Camp Champions are making a commitment to donate $2,500 a year for the next 3 years. As a Camp Champion you will be featured in the FSL Newsletter, your name is prominently displayed at FSL, and you receive a letter from a camper. Over those three years your gift becomes an investment in a child's life!
