SHARING GOOD NEWS!

A heartfelt thank you to East Hampton High School student-athletes Dylan Cashin and Ryleigh O'Donnell. Together they spearhead the MayDay 5K race which had over 500 participants at Main Beach!

Their goal was to build awareness of the counseling services offered at FSL's East Hampton Clinic and reduce the stigma teens often feel is associated with mental health care.

Race supporters included East Hampton's Mayor Jerry Larsen, East Hampton Village Foundation, Old Montauk Athletic Club, the Mayor's Youth Council, Truth Training, EH Rotary, and many more East End businesses and residents. Thank you to all!

East Hampton Students Raise \$20,000 in MayDay 5K Race!

Carol Magee, Program Director of FSL's East Hampton Clinic; Dylan Cashin; Ryleigh O'Donnell; and Patricia Ferrandino, FSL's Dir. of Clinical Operations

FSL is pleased to announce a \$20,000 grant from Capital One Bank for the Flexible Employment Program. This important vocational and computer-training program is designed for individuals with physical, psychiatric, or developmental disabilities from predominantly low income households.

An additional 60 children will be going to camp!

This summer, an additional 60 children will be enjoying a fun-filled two-week camp experience thanks to a generous donation of \$30,000 from a private foundation based on Long Island! FSL's CAMP program serves children ages 7-16, offering week-long, full day or sleep away camp adventures in New York and New Jersey.

Home Depot Team

Volunteers from the Home Depot Deer Park store planted new flower filled landscaping at FSL's Iovino Family Center Campus in Bay Shore. The grant was provided by the Home Depot Foundation and created a welcoming walkway.

Bank of America

The Bank of America Charitable Foundation awarded a \$50,000 grant which will support the vital Community Advocacy, Information & Referral (CAIR) Program at the FSL's William Floyd Family Center in Mastic Beach. CAIR offers free support and resources for those facing problems such as food shortage, utility shutoff or potential loss of housing.

Nestle Health Science The Bountiful Company

Volunteers from Nestle Health Science/The Bountiful Company renovate the vegetable garden at our family shelter. The garden provides another source of healthy food to the more than 300 residents — including 227 children — who call the shelter home.

Three cheers for the Graduates!

Children from FSL's Lockwood Early Learning Center and the Joseph D. Posillico Jr. Early Learning & Youth Activities Center celebrated with friends, teachers, and family upon graduating. Good wishes to all as they move up to kindergarten in September!

Students Learn Fire Safety

Huntington Manor Fire Department's Chief Brady and Officer Patrick taught the young students at FSL's Lockwood Early Center the importance of fire safety and calling 911 in case of an emergency. The children were so excited when they were given fire hats and coloring books to show their families what they learned from the firemen!

King Kullen & Wild By Nature

Longtime supporters King Kullen and Wild By Nature supermarkets will be fundraising in all locations during the months of June & July. Their "Send a Kid to Camp" program, allows customers to contribute \$5, \$2, or \$1 at the register. Donations help fund scholarships for children whose families lack the financial resources to send their child on a summer camp experience.

3,000 Pairs of New Socks!

The BOMBAS mission has been to help those experiencing homelessness. For every item purchased, they donate an item. To date, they have donated more than 50 million items to more than 3,500 community organizations like FSL!

FSL's first fundraiser of 2022, held at Bourne Mansion on June 16th, was a great success. Our thanks to the event sponsors, donors, and guests for their support of FSL's mission!
