

MAKING A DIFFERENCE...

[DONATE NOW](#)

Thousands of children across Suffolk County started the school year with new backpacks filled with school supplies thanks to Bethpage and hundreds of other donors. Volunteers worked with the FSL team to stuff and distribute school supplies at our four Family Centers and many partner locations.

Working together, we provided families and students with a positive kick-off to the 2022-2023 school year - **THANK YOU!**

Teen Youth volunteers from the Town of Huntington joined FSL's team to sort and stuff new backpacks which were given to families residing in the Greater Huntington community. Similar activities occurred at all of FSL's Family Centers. FSL's volunteers and donors are changing the lives of our neighbors in need!

IT WAS A GREAT SUMMER CAMP SEASON

For over 40 years, FSL has provided children living in poverty with the unique opportunity of attending summer camp. This experience can influence a child's life, especially for those suffering daily hardships most of us will never have to endure. This is a special time of year where they can learn to enjoy themselves, make new friends, and explore a new environment.

These activities are only possible because of the compassion and generosity of donors. The FSL **Camp Champions**, **King Kullen**, and hundreds of individual gifts fund this important program. We deeply appreciate our longstanding relationship with Camp Directors, all of whom help us place children at dozens of fun, nurturing sites throughout the tri-state area. Thank you to all for making this a wonderful summer for hundreds of Long Island children and their families.
