Volunteers are the Heart of FSL

There are a number of ways to get involved - from administrative support, transporting food, and toy drives, to special event committees or elementary tutoring, and so much more. By sharing your skills, you help FSL provide vital assistance to our neighbors in need. We also offer specialized training for volunteers who want to advocate for Long Island seniors residing in assisted living or nursing facilities. Contact Danielle Greenwood, Volunteer Coordinator at 631-470-6772 or
