

Family Service League's 2023 Journal

**A message from
Karen Boorshtein, LCSW, President & CEO**

Thank you for spending the evening with us. The proceeds of our fundraising events help us to provide quality programs and services which impact the lives of thousands of people every day. Although Long Island is considered by many to be prosperous, there are too many children and adults enduring severe hardships - poverty, housing, struggling with the challenges of mental illness, or living with the destruction of addiction. FSL delivers tangible help and crisis intervention across a broad spectrum of areas that offer education, housing, support, and counseling services. Your funding is making a difference.

On behalf of the Board of Directors, thank you for sharing your time with us. We extend our gratitude to our honorees - The Goldberg Family, sponsors, and guests. Please accept my sincere thanks for helping us to assist our neighbors in need.

Warmest regards,
