

Best Wishes for a Happy & Healthy New Year!

As the year comes to an end, we reflect upon the many things for which we are grateful. Your trust and confidence are something we cherish. Your generosity and compassion help us provide the vital care and service that thousands of children and adults depend on everyday. Thank you for your support.

We are proud of the progress our clients make. Our thanks to JHB, and the other artists, who created original artwork for one of FSL's skills building programs which is designed to help those struggling to overcome disabilities.
