

We Love Our Volunteers

Volunteer Appreciation Month
is an opportunity to recognize and thank those whose
efforts have a lasting impact on the lives of others.
Their desire to give back is a unique
gift that brightens the lives of those around them.
Their energy and selflessness strengthen our community.

You can join our family of dedicated volunteers! There are a number of ways to get involved and help strengthen our communities, from administrative support, advocacy, and toy drives, to special event committees and tutoring. You can be part of our family of 130+ volunteers. Contact Danielle Greenwood, Volunteer Coordinator - danielle.greenwood@fsl-li.org or 631-470-6772.
