Every day Family Service League works with thousands of Long Island's children and adults to help them on their journey to a brighter, healthier future. We are Restoring Hope & Rebuilding Lives!

MISSION STATEMENT

Transforming lives and communities through mental health, addiction, housing, and essential human services.

DID YOU KNOW ALL THE WAYS FSL IS MAKING AN IMPACT IN OUR COMMUNITY?

FSL offers 5 unique programs designed to help LI's seniors live their best lives. Services range from advocating and providing critical support, to respite for the caregivers who love them.

Every year, 5,000+ children are given new backpacks full of school supplies to start the school year.

This year, 244 children and adolescents with serious emotional disturbances or medical conditions are participating in our Health Home Care Management Services.

Through our referral pathways with local hospitals, over 2,000 people were connected to FSL for ongoing clinical services.

Over 24,000 children and adults struggling with severe mental health or addiction issues have been assessed, treated, and provided with counseling and support at DASH.
(March 2019 - Dec. 2024)

Over 93,414 calls have been received at our DASH crisis care center in the past 6 years!

Project TOY, FSL's annual gift drive, provided more than 6,600 children with a brighter holiday. Our thanks to lead sponsor FourLeaf and hundreds of other generous donors.

600 children and adults are living in our Network of Shelters which consists of 7 facilities across LI. Residents are provided with safe housing, food, counseling, and vital care.

In 2024, 315 individuals and families were moved from our network of shelters into permanent housing!
